

Independent audit report by the auditor to the Board of Directors of Colonial First State Investments Limited on documented internal control procedures for the year ended 30 June 2022

Scope

We have audited the documented internal control procedures of FirstWrap Investments which was established by Avanteos Investments Limited and transitioned on 31 May 2022 to Colonial First State Investments Limited as the operator of FirstWrap Investments, for the year ended 30 June 2021. The directors and management of the Operator are responsible for the design, documentation, operation, maintenance and monitoring of the documented internal control procedures of FirstWrap Investments in accordance with Australian Securities & Investment Commission Class Order 13/763 "Investor directed portfolio services" (as amended) ("the Class Order") and for the adequacy of the internal control procedures contained in the documented internal control procedures, including the internal control systems, policies and procedures, and for compliance therewith. These responsibilities are set out in the Class Order.

Our audit has been conducted in accordance with the Australian Standard on Assurance Engagements (ASAE) 3000 *Assurance Engagements other than Audits or Reviews of Historical Financial Information* and ASAE 3150 *Assurance Engagements on Controls* and accordingly included such tests and procedures as we considered necessary in the circumstances.

Our procedures included obtaining an understanding of the documented internal control procedures and the compliance measures contained therein and examination, on a test basis, of evidence supporting the operation of these compliance measures. These procedures have been undertaken to form an opinion whether, in all material respects, the documented internal control procedures have been adequately designed to meet the requirements of the Class Order at all times during the financial year and provide reasonable but not absolute assurance that the Operator has complied with the documented internal control procedures for the year ended 30 June 2022.

This report has been prepared for the Directors of the operator of FirstWrap Investments in order to meet its obligation to lodge this report with the Australian Securities & Investments Commission in accordance with Class Order 13/763 "Investor directed portfolio services" (as amended). We disclaim any assumption of responsibility for any reliance on this report to any person other than the addressee, who may only rely on this report for the purpose for which it was prepared, and the Australian Securities & Investments Commission.

Inherent limitations

Because of the inherent limitations in any internal control structure, it is possible that fraud, errors or non-compliance with laws and regulations may occur and not be detected. Further, the internal control structure, within which the documented internal control procedures operate, has not been audited and no opinion is expressed as to its effectiveness.

An audit is not designed to detect all weaknesses in the documented internal control procedures as it is not performed continuously throughout the period and the tests performed are on a sample basis.

Any projection of the evaluation of the documented internal control procedures to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion, in all material respects:

1. Colonial First State Investments Limited has complied with the documented internal control procedures for the year ended 30 June 2022; and
2. the documented internal control procedures met the requirements of Australian Securities & Investments Commission Class Order CO 13/763 “Investor directed portfolio services” (as amended) at all times during the financial year.

Independent audit report by the auditor to the Board of Directors of Colonial First State Investments Limited on internal controls and other relevant accounting procedures as they relate to the specified annual investor statements for the year ended 30 June 2022

Scope

We have audited the internal controls and other relevant accounting procedures of Colonial First State Investments Limited (the Operator), including those of its custodians and any other relevant person acting on behalf of the Operator, relating to the preparation of annual investor statements given to the clients of FirstWrap Investments (the clients) for the year ended 30 June 2022. These internal controls and accounting procedures are hereafter referred to as "the internal controls". Our audit has been performed in order to express an opinion about the design of the controls to meet the criteria specified in Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended) and the effectiveness of the internal controls in mitigating the risk of material misstatement in the clients' annual investor statements.

The directors and management of the Operator are responsible for maintaining an effective internal control structure including the internal controls in relation to the preparation of annual investor statements of the clients, which comprise for each client a statement of the quantity and value of assets and liabilities held through the Operator by the client as at 30 June 2022 and the corresponding revenue and expenses of the client for the year ended on that date.

The directors of the Operator have determined that the accounting policies used, including the basis of accounting, are appropriate to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No opinion is expressed as to whether the specified basis of preparation is appropriate to the needs of the clients.

Our audit has been conducted in accordance with the Australian Standard on Assurance Engagements (ASAE) 3000 *Assurance Engagements other than Audits or Reviews of Historical Financial Information* and ASAE 3150 *Assurance Engagements on Controls* and accordingly included such tests and procedures as we considered necessary in the circumstances. These procedures included testing that the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown collectively in the annual investor statements were properly reconciled in all material respects by the Operator as at 30 June 2022 to the corresponding amounts shown in reports prepared by the custodians which have been independently audited.

These procedures have been undertaken to express an opinion whether:

- the Operator maintained internal controls and other relevant accounting procedures in relation to the preparation of annual investor statements, including those of its custodian(s) and any other relevant person acting on behalf of the Operator, that were suitably designed and operated effectively in all material respects to ensure that the annual investor statements for the year ended 30 June 2022 are or have been given to clients without material misstatements; and
- the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown in the clients' annual investor statements for the year ended 30 June 2022 have been properly reconciled in all material respects by the Operator as at 30 June 2022 to the corresponding amounts shown in the reports prepared by the custodians which have been independently audited.

This report has been prepared to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No responsibility will be accepted for any reliance on this report for any other purpose.

Inherent limitations

Because of the inherent limitations in any internal control structure, it is possible that fraud, errors or non-compliance with laws and regulations may occur and not be detected. Further, the internal control structure, within which the control procedures that we have audited operate, has not been audited and no opinion is expressed as to its effectiveness.

An audit is not designed to detect all weaknesses in control procedures as it is not performed continuously throughout the period and the tests performed are on a sample basis. Any projection of the evaluation of control procedures to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion:

- the Operator maintained internal controls and other relevant accounting procedures in relation to the preparation of annual investor statements, including those of its custodian(s) and any other relevant person acting on behalf of the Operator, that were suitably designed and operated effectively, in all material respects, to ensure that the annual investor statements for the year ended 30 June 2022 are or have been given to clients without material misstatements; and
- the aggregates of assets (other than assets held by a client), liabilities, revenue and expenses shown in the clients' annual investor statements for the year ended 30 June 2022 have been properly reconciled in all material respects by the Operator as at 30 June 2022 to the corresponding amounts shown in the reports prepared by the custodians which have been independently audited.

28 September 2022

Independent review report by the auditor to the Board of Directors of Colonial First State Investments Limited on the specified annual investor statements for the year ended 30 June 2022

Scope

We have reviewed the annual investor statements given to the clients of FirstWrap Investments (the clients) for the year ended 30 June 2022 prepared by Colonial First State Investments Limited (the Operator). The directors and management of the Operator are responsible for the annual investor statements of the clients, which comprise for each client a statement of the quantity and value of assets and liabilities held through the Operator by the client as at 30 June 2022 and the corresponding revenue and expenses of the client for the year ended on that date. The directors of the Operator have determined that the accounting policies used, including the basis of accounting, are appropriate to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No opinion is expressed as to whether the specified basis of preparation is appropriate to the needs of the clients.

We have conducted an independent review of the annual investor statements in order to state whether, on the basis of the procedures described below, anything has come to our attention that would indicate that any annual investor statement given to any client is materially misstated.

Our review has been conducted in accordance with Australian Auditing Standards applicable to review engagements. A review is limited primarily to inquiries of the Operator's personnel and analytical procedures applied to the financial data. These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than that given in an audit. We have not performed an audit of any individual annual investor statement and, accordingly, we do not express an audit opinion in relation to any client's individual annual investor statement.

We have also performed an independent audit of internal controls and other relevant accounting procedures of the Operator, including those of its custodians and any other relevant person acting on behalf of the Operator, as they relate to the preparation of the annual investor statements ("the internal controls") and have issued a separate unqualified audit opinion on whether the internal controls implemented by the Operator were suitably designed and operated effectively to ensure that there are no material misstatements in the clients' annual investor statements for the year ended 30 June 2022.

This report has been prepared to meet the requirements of Australian Securities & Investments Commission Class Order 13/763 "Investor directed portfolio services" (as amended). No responsibility will be accepted for any reliance on this report for any other purpose.

The Statement provided below has been prepared on the above basis.

Statement

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that any annual investor statement for the year ended 30 June 2022 given to any client is materially misstated.
